Report of the Trustees of the Ingalls Memorial Library

FOR THE YEAR ENDING JANUARY 31, 1932

The Librarian's report for the year will tell in detail of the work done in repairing, rebinding and returning to active circulation a number of the books in the Ingalls Memorial Library. The cataloguing and re-arrangement of the books in both libraries, was done by Miss Harriett Willett, under the supervision of Miss Annable, of the New Hampshire Public Library Commission, and a card cataloguing system installed. Miss Morgan finds this a more modern and efficient method of carrying on the work of the library. The town appropriation paid for Miss Willett's services at the Ingalls Memorial Library and Miss Ware paid for her services at the West Rindge Branch Library.

The suggestion of Miss Willett, that a reading room for the children be established, has been carried out as far as possible. A friend of the Rindge children has given a subscription to *Child Life*, a magazine for the younger ones, and a set of wild flower charts from the New England Horticultural and Wild Flower Protection Association. A low table, small chairs, and a magazine rack are needed to help complete the furnishings of the reading rooms. The children seem to enjoy having a place of their own in the library and Miss Morgan and the trustees hope to have them use their room in increasing numbers.

The trustees ask the town for an appropriation of \$500.00 for current expenses and to help in carrying out the project of making the library service more efficient.

We wish to thank all those who have made gifts to the library, particularly Mr. Charles O. Cowan for the table for the card catalogue cabinet, and Miss Mary Lee Ware for a typewriter. Mrs. Arthur M. Allen, Mr. C. H. Cutler, Miss Alice Morgan, and Mrs. George W. Wilder have given a number of books to the li-

brary. Funds for the purchase of new books are so limited that books given by the friends of the library add greatly to the number of volumes we are able to put into circulation.

We wish also to thank and express our appreciation for the efficient service and care of our librarian, Miss Alice Morgan; and our janitor, Mr. Frederick Barrett.

Respectfully submitted,

MARY LEE WARE

Memorial Day, the day hallowed to the memory of all those who have offered their lives to their country in all the years of her existence, was observed with the usual ceremony and reverence.

Only one of our Civil War veterans was able to honor us with his presence, but four World War boys took part in the exercises.

The music for the forenoon was furnished by our own Rindge Band, and was much appreciated by all.

The citizens of the town and the school children all did whatever they were requested to do cheerfully and helpfully. It is by the united effort of the community that we can achieve the proper celebration on this sacred occasion.

The committee wishes to express its thanks to all those who helped make the 90 wreaths necessary to decorate the graves, to those who supplied the hoops, to those who put out the flags, to the pastors, town officers, the band, the veterans of '61 and '17, sons and daughters of veterans, the W. R. C., Legion Auxiliary, school board, teachers, school children, choir, chairman of the day,

the orator, the L. V. A., the L. A. S., and all others, by whose united efforts the day was made a success.

Report of Superintendent of Schools

To the School Board of Rindge :

I submit herewith my fourteenth annual report as superintendent of schools, it being the twenty-eighth in the series under union supervision.

There were two changes in the teaching force of the Rindge schools at the opening of the present school year. Miss Vera L. Hamblet of Keene succeeded Miss Kathleen C. Davison who had taught the grammar school at Rindge Center for two years. Miss Hamblet is a graduate of the three year course at Keene Normal School and has had one year of teaching experience in Marlow.

Miss Bertha M. Wright of East Sullivan was chosen to succeed Miss Olive Lynch in the primary school at Rindge Center. Miss Wright is also a graduate of Keene Normal School and taught one year in Marlow.

The total enrollment of the Rindge schools for the fall term was 104 as compared with 105 for last year. The primary school showed an increase of six, and West Rindge an increase of three, while East Rindge shows a decrease of eight from the school year 1930-1931.

The work of the school nurse, Miss Margaret E. Harris, has been continued this year with very satisfactory results. A very successful dental clinic was held at the Rindge Center school in May, with Miss Harris in attendance, and in January of the present year, with the co-operation of the State Board of Health a vaccination clinic was held at which time forty-two school children, fifteen pre-school children, and forty-three adults were vaccinated—a total of one hundred.

The work of this clinic has cleared up a situation that has long been embarrassing in this town.

The work of the teachers in all the schools has been good during the present school year. Careful attention has been given to cover the requirements of the state program of studies in all subjects.

The school board is confronted at the present time with the necessity of reducing the school budget wherever possible to meet the financial situation, and is doing this so far as is possible without reducing the efficiency of the schools.

The increase in the amount paid for high school tuitions is due to the increase made in the charge at the Murdock School from \$70 per year to \$100. The tuition rate at Conant High School remains \$70, as previously charged.

Electric lights have been installed in the East Rindge school, so that all the Rindge schools are now equipped with electricity.

New heaters have been installed in both the East and West Rindge buildings.

I wish at this time to thank the school board, teachers, parents, pupils, and all who have been interested in our efforts to carry on the work of the Rindge schools.

Very truly yours,

LEWIS S. RECORD

Superintendent of Schools
